This course will assist the student in preparing to sit for the Pharmacy Technician Certification Exam (PTCE) by reviewing the following three areas in detail.

1. Assisting the pharmacist in serving the patients
2. Maintaining medication and inventory control systems
3. Participating in the administration and management of pharmacy practice

Successful completion of the program earns you a certificate of completion with Continuing Education Units (CEU's). Upon successful completion of the National Pharmacy Technician Exam, you'll earn the right to use the Certified Pharmacy Technician designation, "CPhT." For additional information about the national exam go to [www.ptcb.org](http://www.ptcb.org) or call 1-800-363-8012 or [www.nationaltechexam.org](http://www.nationaltechexam.org) or call 1-866-391-9188.
