Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student and spouse filed separate IRS income tax returns for 2023 or had a change in marital status after December 31, 2023.

Instructions: Complete this section if the student and spouse filed or will file a 2023 IRS income tax return(s). As part of Federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2023 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student should provide the institution with a **2023 IRS Tax Return Transcript(s) or a signed copy of the 2023 income tax return and applicable schedules.**

A **2023 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
