

# Workforce Training & Continuing Education

---

## Current Schedule of Classes

Kenneth B. Hurst  
Continuing Education Building  
444 Western Boulevard  
Jacksonville, NC 28546  
910-938-6294

## Construction Basics

Get started in a high demand job with competitive wages in less than two months!

This 6-week course will equip you with the skills you need to begin a career in the Construction field.

Certifications include: OSHA 30 Construction and Powered Industrial Truck (PIT)

For further information, please contact James Underwood at 910-938-6755 or [underwoodj@coastalcarolina.edu](mailto:underwoodj@coastalcarolina.edu)

# IMPORTANT CONTINUING EDUCATION INFORMATION

To register, complete a registration form (one per class) and pay the registration fee. Students can register in person at the front office in the (CE) Building, by e-mail, or by fax. From our homepage, select Workforce Training and Continuing Education under the "Academics" tab. There you will find a link for the Registration Form. Print and complete both pages and submit them via fax (910.347.6174) or e-mail ([ConEd@coastalcarolina.edu](mailto:ConEd@coastalcarolina.edu)). After submitting the form(s), please call (910.938.6294) to complete payment over the phone, before close-of-business on the same day. Students should register as early as possible, as many of our classes fill up quickly. Office hours are M–F 7:30 AM–6:00 PM.

A Minor Application Form is required for individuals aged 16 and 17 enrolling in the College and Career Readiness (CCR) Program for high school completion. Visit the CCR office in Room 208 of the CE Building, call (910.938.6259), e-mail ([collegeandcareerreadiness@coastalcarolina.edu](mailto:collegeandcareerreadiness@coastalcarolina.edu)), or visit (select Continuing Education, CCR Program) to obtain further information about this form.

Course fees are set by the state and are based on the number of class hours: 1–24 hours: \$70; 25–50 hours: \$125; 51+ hours: \$180. (Exceptions include Small Business Center seminars and self-support classes, for which fees vary.) Course fees may be paid in person at the front office in the CE Building. Accepted payment methods include cash, check (payable to "Coastal Carolina Community College" or "CCCC"), money order, or credit/debit card (MasterCard, Visa, American Express, and Discover are accepted). Credit card payments may also be made by phone after the registration form(s) have been received in the office. Textbooks are not included in the registration fee (see below).

**ADDITIONAL FEES:** The following fees are in addition to the registration fee and are collected at the time of enrollment: A Supply/Tech Fee of \$15 is included for applicable classes over 96 hours. An OSHA Card Fee of \$8 is included for applicable classes. A non-refundable Student Accident Insurance Fee of \$1.00 is included when applicable. A Liability Insurance Fee of \$16 is included for students who will be providing services to the public (health-related courses, Massage Therapy, etc.).

Make checks or money orders payable to "Coastal Carolina Community College" or "CCCC". Postdated checks are not accepted. There is a \$25.00 fee for returned checks. Thank you for including your driver's license number or student ID number on checks. Credit card payments can only be accepted from the person whose name appears on the card.

Please call the College Store at (910.938.6295), or visit them in the Student Center for textbook costs and information. Please note that the College Store has a 10-day return policy. It is strongly recommended that students not purchase textbooks prior to 10 days before the class start date, as textbooks may change from previous classes. Textbooks are not returnable if shrink wrap is broken or disks are used or missing. All returned merchandise must be unaltered and in its original packaging. Bookstore hours: M–Th 8:00 a.m.–5:00 p.m., F 8:00 a.m. – 3:00 p.m.; closed Sat/Sun and holidays.

The Continuing Education Unit (CEU) is used as the basic unit of measurement for an individual's participation in CE non-credit classes, courses, and programs. CEUs will be awarded to individuals who successfully complete a course in occupational or academic program area. A CEU is a unit whereby then (10) contact hours equal one (1) CEU credit. To be eligible for CEU's, a student must attend 75% of the course. Students will be mailed a Certificate of Completion indicating the number of CEUs earned. CEUs do not apply toward college degree requirements.

Should it become necessary to close the College because of inclement weather (storms, ice, snow, etc.), local radio, television stations and all social media outlets will be notified. Students should stay tuned to local stations, telephone the College at (910.455.1221), or consult Coastal's website for more information relating to closings.

Continuing Education classes must have sufficient enrollment in order to run. Early registration for classes helps to guard against cancellation. In the event that a course is canceled due to low enrollment, inclement weather, etc., registered students will be notified by phone and/or email if classes are canceled.

(1) A student who officially withdraws (in writing) from a class(es) prior to the first class meeting shall be eligible for a 100 percent refund. (2) A student who officially withdraws (in writing) after an occupational extension class has already begun shall be eligible for a 75 percent refund provided that the withdrawal is prior to or on the 10 percent date of the scheduled hours of the class. Note: This rule is applicable regardless of the number of times the class meets. (3) In the case of a contact-hour or online class, a 75 percent refund shall be made if the student officially withdraws (in writing) on or before the 10th calendar day from the first scheduled date of the class. (4) A student who officially withdraws (in writing) from a self-support class (Personal Enrichment, Motorcycle, Defensive Driving, etc.) prior to the first class meeting shall be eligible for a 100 percent refund. (5) A student is eligible for a 100 percent refund if an applicable class is canceled by the College. (6) For applicable classes, none of insurance fee is refundable once the class has started whether the student attended the first day of class or not.
