## Things You Should Know Before You Apply

---

Upon acceptance into Coastal Carolina Community College's (Coastal) Surgical Technology program, you will be required to:

- Adhere to all aspects of clinical agency minimum age requirements. Students must be at least 18 years of age prior to starting clinical rotations to meet the minimum age requirement of all clinical agencies.
- Have a physical exam and complete a Student Medical Form documenting a level of physical and emotional health consistent with the ability to practice in an entry-level surgical setting.
- Document that you have had required immunizations specified on the Student Medical Form.
- Be screened for tuberculosis (both on admission and annually).
- Obtain and maintain current certification in American Heart Association's Basic Life Support for Health Care Providers (often referred to as BLS or CPR). This certification must be maintained through the duration of the program. Additional information will be provided during the orientation.
- Travel at your own expense to out-of-town clinical agency locations (when necessary) in order to complete clinical requirements of the program. You will be expected to make your own arrangements for transportation and meals as necessary for clinical practice rotations.
  - Candidates who are admitted into the Surgical Technology program will need a REAL ID to participate in clinical rotations aboard Marine Corps Base Camp Lejeune.
- Adhere to all aspects of clinical agency dress codes. Most clinical agencies have policies that regulate body jewelry (such as piercings) and/or prohibit visible tattoos.
- Clinical agencies retain the right to deny clinical privileges to students.
- At your own expense, have a criminal background check and urine drug screen.
  - These are needed to obtain access to our clinical agencies. The results are provided to our affiliated clinical agencies. They do not affect admission decisions, but it is possible that the results may prevent the applicant from participating in the clinical rotations, and thus from continuing in the program.

Off-campus training sites for the Surgical Technology program include, but are not limited to: Carteret Health Care in Morehead City, NC; Novant Health New Hanover Regional Medical Center and Wilmington Health Surgery Center in Wilmington, NC; Onslow Memorial Hospital and SurgiCare in Jacksonville, NC; Naval Medical Center Camp Lejeune aboard Marine Corps Base Camp Lejeune; and CarolinaEast Health System in New Bern, NC. Students are responsible for transportation to clinical sites.

Prospective applicants should consider the risk associated with the potential adverse effects of anesthetic gases and radiation on an unborn child. The Centers for Disease Control and Prevention provides information about anesthetic gases and ways to reduce exposure for a healthier pregnancy at <https://www.cdc.gov/niosh/reproductive-health/prevention/anesthetic-gases.html> and <https://www.cdc.gov/radiation-emergencies/hcp/clinical-guidance/pregnancy.html>.

In the event of a health condition that may temporarily limit a student's ability to meet the program's Technical Standards or results in prolonged absences, a statement from their medical care provider declaring suitability to return to learning activities may be required. Health conditions do not excuse a student from meeting all programmatic, regulatory, and accreditation requirements. Students must complete the required educational hours in order to take the examination administered by the National Board of Surgical Technology and Surgical Assisting.

## Communicable Disease Statement

---

Students enrolled in Nursing and Allied Health programs are at risk of exposure to bloodborne pathogens and body fluids, and the potential exists for transmission of infectious diseases (e.g., HIV, Hepatitis, etcetera). Discrimination against patients with HIV and other infectious diseases is prohibited; therefore, students are required to treat all patients assigned. Refusal to treat any patient may affect the student's academic success.

The complete Communicable Disease Policy is available in the *College Catalog*.

Students enrolled in any Nursing and Allied Health program who test positive for HIV or Hepatitis prior to or at any point during their enrollment in the program must submit a written notification to:

Chief, Communicable Disease Control Branch  
1902 Mail Service Center  
Raleigh, NC 27699-1902

Students who enter any Nursing and Allied Health program will be required to read and sign a Communicable Disease Statement acknowledgement form. This form becomes part of the student's departmental record and attests that the student:

- Has been informed of their risk of exposure to bloodborne pathogens and body fluids;
- Understands the potential for transmission of infectious diseases;
- Agrees to provide care for all patients assigned to them;
- Understands that refusal to treat any patient may affect their academic success;
- Has been informed of the complete Communicable Disease Policy; and
- Must comply with all related guidelines and procedures.

The student and a witness must sign the Communicable Disease Statement acknowledgment form.

## Surgical Technology Program Requirements for Eligibility – Level 2

---

6. Individuals who have met Level 1 eligibility requirements will meet with any Academic Advisor/Counselor in the Student Center on Coastal’s main campus to complete an Eligibility Application. Please arrive no later than 30 minutes before closing.
- Verification of points is completed *after* the application period has ended. Academic Advisors/Counselors will not be verifying points when meeting with the applicant to complete the Eligibility Application.
  - Applicants who are unable to come to campus to complete a Nursing/Surgical Technology Eligibility Application must contact the Academic Advisor/Counselor designated for the ST program at [alliedhealthadmissions@coastalcarolina.edu](mailto:alliedhealthadmissions@coastalcarolina.edu) no later than 5:00 p.m. on the final day of the application period.
7. Submit documentation to earn additional points (see deadlines listed on *Important Dates* page).
- Any documentation for additional points that is received after the given deadline, regardless of the date postmarked, will not be considered.
  - It is the responsibility of the applicant to resubmit updated documents if reapplying.
8. Ensure updated transcripts for courses completed in the Fall 2026 semester (if applicable) are on file at Coastal Carolina Community College no later than 5:00 p.m. on the final day of the application period.

# Health Education Systems Incorporated A<sup>2</sup> Exam Details

---

## Content

- Students will be tested in the following areas: reading comprehension, grammar, vocabulary, and mathematics.

## Availability

- The HESI A<sup>2</sup> exam may take up to four hours to complete. The exam is available Monday – Thursday (8:00 a.m. or 1:00 p.m.) or Friday (8:00 a.m.) on Coastal’s main campus. Available appointment times are viewable two weeks in advance. The testing schedule is subject to change. Please know, payment must be completed prior to scheduling the testing appointment.

## Registration and Payment

- Applicants must obtain the payment link from an Academic Advisor/Counselor.
- Applicants must register and pay online for the HESI A<sup>2</sup> exam ahead of time by setting up an Evolve/Elsevier account. The estimated cost of the exam is \$55 but it is subject to change. A study guide is available for purchase in the College Store.
- Payment must be completed prior to scheduling the testing appointment.

## Schedule an Appointment – Seated

- Applicants must schedule an appointment with the Testing and Placement Center through the Admissions page on Coastal’s website (click on the Placement Testing tile).
- If an applicant must cancel the appointment, they must notify the Testing and Placement Center at least 24 hours in advance. Failure to do so may result in applicants being unable to make another appointment.
- Due to limited testing space, if an applicant misses or cancels two appointments, they will not be able to reschedule for two weeks after the last missed or cancelled appointment.

## Scores

- Official scores may be viewed through the applicant’s Evolve/Elsevier account.
- If an applicant decides to test a second time, they must pay the exam fee again (through a payment link obtained from an Academic Advisor/Counselor).
- Applicants may take the HESI A<sup>2</sup> exam twice in an eligibility period (September 1 – August 31) at Coastal.
- HESI A<sup>2</sup> exam scores must be completed within three years prior to entering the program to be valid for the application process (on or after August 1, 2024).

## Off-Site Testing

- It is the applicant’s responsibility to locate an alternate testing site. Coastal does not have a testing ID to provide to other sites.
- If a student tests at another site, they must request an official transcript to be sent directly to Coastal (through the HESI website) for an additional fee.

## Remote/Virtual Testing

- Remote/virtual testing is available through ProctorU. The estimated cost of the exam is \$87 but is subject to change. Please see an Academic Advisor/Counselor for more information.

## Americans with Disabilities Act (ADA) Accommodations

- Applicants must have an approved accommodation on file with the college to receive ADA accommodations for the HESI A<sup>2</sup> exam. Prior to any implementation of accommodation services, applicants must contact the Coordinator for Disability Support Services at (910) 938-6331 or [adasupport@coastalcarolina.edu](mailto:adasupport@coastalcarolina.edu) within a reasonable timeframe to determine eligibility before purchasing the exam.

## Selection of Qualified Applicants

---

*Coastal Carolina Community Colleges has a limited number of spaces available in the Surgical Technology program. Admissions decisions are determined through a standardized process using established criteria.*

A qualified applicant is defined as an applicant who meets all Level 2 eligibility requirements and submits a complete Eligibility Application during the application period.

Applicants will be awarded points for grades received in specific Surgical Technology related courses based on the point system that best fits their profile. Courses taken for points must be completed by the end of the Fall 2026 semester.

### Point Systems

There are two point systems:

- **Point System A** – College classes
- **Point System B** – High school classes

Point System A and Point System B cannot be combined. If the applicant is eligible for consideration under both point systems, the point system with the higher point total will be used for ranking.

Points will be awarded for courses, to include substitutions, completed with a grade of C or higher. Points will not be awarded for grades of C- or lower. Additional points may be awarded for completing ACA 122 Transfer and Career Success with a grade of A. Additional points may also be awarded for work experience, North Carolina Nursing Assistant (CNA) I or II certification, and scores on the HESI A<sup>2</sup> exam.

### Points Verification

The tabulation of points is completed after the January 29, 2027 deadline to submit documentation. Points verification letters will be mailed by February 12, 2027. Eligible applicants will be given a specific time frame to be able to question or request a review of the calculated point total. After that time, point calculations are considered accurate and final and will not be recalculated.

### Accepted Students

**Up to 16 highest-ranking applicants will be *accepted* into the Surgical Technology program.**

- In the event that applicants have the same number of points, the HESI A<sup>2</sup> exam total score will determine ranking.
- If there is still a tie, the applicant who submitted their Eligibility Application first will be ranked higher (date and time will be recorded on the Eligibility Application form).

Candidates accepted to the Surgical Technology program must attend an orientation/registration meeting.

### Alternates

All remaining qualified applicants will be placed on the alternate list and ranked in point order. Should a space become available prior to the start of the program, the next qualified alternate will be notified.

### Notification

The following letters will be mailed to qualified applicants by March 5, 2027:

- **Acceptance Letter** – Up to 16 highest-ranking applicants
- **Alternate Letters** – Next group of highest-ranking applicants

Applicants who receive an Acceptance Letter or Alternate Letter will also receive an Agreement Form. This form must be signed, dated, and returned by the deadline indicated in the letter and on the form. Failure to submit this form by the deadline, regardless of the date postmarked, will result in placement at the bottom of the alternate list.

Once an applicant accepts admission for any 2027 Nursing and Allied Health program at Coastal Carolina Community College, all applications on file for any other 2027 Nursing and Allied Health programs at Coastal will be cancelled.

An applicant who, for any reason, is unable to enter the 2027 Surgical Technology program must reapply for the 2028 program and meet all admission requirements to be considered for the 2028 program.

### **Late Consideration**

The Academic Advisor/Counselor designated for the Surgical Technology program may continue taking applications after the application period has ended. Please speak with an Academic Advisor/Counselor for more information.

- The late consideration period is April 1, 2027 – August 6, 2027.
- Applicants applying for late consideration must meet all requirements prior to completing the Eligibility Application form.
- Late consideration eligible applicants will be placed on the alternate list in the order in which they apply.
- Applicants will not receive points during the late consideration period.

*It is every applicant's responsibility to notify the Admissions Office as well as the Academic Advisor/Counselor designated for the Surgical Technology program of any address, phone number, or name changes.*

## Point System A

Points will be valued according to Coastal's grading scale and will be awarded according to the letter grade on the applicant's official transcript(s). Applicants may receive up to 85 points for all related college courses.

<sup>1</sup> Biology classes taken before Fall 2022 are considered ineligible for points purposes for admission into the 2027 Surgical Technology program.

### Approved Humanities/Fine Arts Electives for Surgical Technology (choose one)

See the current *College Catalog* ([www.coastalcarolina.edu](http://www.coastalcarolina.edu), Academics) for a list of approved Humanities/Fine Arts electives for the Surgical Technology program of study.

Applicants are **not** required to complete these courses prior to beginning the program. However, it is helpful to the applicant's overall ranking to have completed as many of these courses as possible by the end of Fall 2026. *Applicants who have completed related courses prior to beginning the Surgical Technology program may not be considered as a full-time student once enrolled in the Surgical Technology program.*

Applicants may be awarded points for equivalent courses completed at another accredited college with a grade of C or higher. Grade points will be valued according to Coastal's grading scale and will be awarded by the letter grade on the applicant's official transcript(s). **In order for these courses to be considered for points, transcripts must be received by 5:00 p.m. on the final day of the application period.** Courses with a grade of C- will not count for points.

Submission of AP, IB, Cambridge, or CLEP scores may satisfy the requirement for the course. Applicants may submit scores for points or take the course for points **but may not receive points for both.**

## Additional Points for Point System A

---

Surgical Technology applicants may earn additional points for the following:

- A. Licensure and/or certification
- B. HESI A<sup>2</sup> exam scores

### A. Licensure and/or Certification

Applicants may receive points for current licensure and/or certification in each of the areas listed below. Other licenses and certifications, health care related or otherwise, will not be considered.

Licensure and/or Certification	Points
Licensed Practical Nurse	4
Paramedic	4
Central Sterile Processing Technician	4
Medical Laboratory Technologist	4
Corpsman/Medic <sup>2</sup>	2
Certified Nursing Assistant (CNA) I or II	2
Medical Assistant	2

<sup>2</sup> *Corpsmen may submit a copy of their Verification of Military Experience and Training (VMET) for work experience points. Primary Occupation Description must specify without close supervision.*

Current license(s)/certificate(s) must be submitted directly to the Academic Advisor/Counselor designated for the Surgical Technology program by emailing [alliedhealthadmissions@coastalcarolina.edu](mailto:alliedhealthadmissions@coastalcarolina.edu) from your Coastal email account. This must be received no later than 5:00 p.m. on the final day of the application period. The Academic Advisor/Counselor will verify submitted documentation for points.

### NC Certified Nursing Assistant

If you are a Certified Nursing Assistant (CNA) listed on the North Carolina Nurse Aide I or the North Carolina Nurse Aide II Registry and have no substantiated disciplinary findings, you may submit documentation for points as shown by visiting one of the following websites: <https://ncnar.ncdhhs.gov>, [www.ncbon.org](http://www.ncbon.org). To be considered, NC Nurse Aide registry documentation must be received by the Academic Advisor/Counselor designated for Surgical Technology no later than 5:00 p.m. on the final day of the application period.

The maximum amount of CNA points to be awarded is 2. Additional points will not be awarded for being on both the NC Nurse Aide I and Nurse Aide II registries.

### B. Health Educational Systems, Inc. (HESI) A<sup>2</sup> Exam

Students submitting the HESI A<sup>2</sup> exam may receive additional points according to the following table (cumulative scores are not rounded):

Cumulative Percentage Range	Points Awarded
92.5 – 100.0	20
84.5 – 92.4	15
79.5 – 84.4	10
75.0 – 79.4	5

## Point System B

Point System B applies to applicants who:

- are still enrolled in their senior year of high school **OR**
- have graduated from high school but will not have all of the college-level related courses for the Surgical Technology program completed by the end of Fall 2026.

High school course work may be submitted for points only if the course is worth one credit and the applicant graduated from high school within three years from the term they will enter the Surgical Technology program (2024 or after for entry into the 2027 Surgical Technology program). Points will be valued according to the letter grade on the applicant's official transcript(s). Applicants may receive up to 85 points for specific high school coursework detailed below.

High School Courses	Grade Point Values		
	A <sup>4</sup>	B <sup>4</sup>	C
Biology	15	9	5
Chemistry <b>OR</b> Physics <sup>3</sup>	15	9	5
Anatomy and Physiology <b>OR</b> Advanced Biology <sup>3</sup>	15	9	5
Algebra II <b>OR</b> Geometry <b>OR</b> Trigonometry <sup>3</sup>	8	4	2
11 <sup>th</sup> Grade English	8	4	2
12 <sup>th</sup> Grade English	8	4	2
Health Science I <b>OR</b> Biomedical Technology I <sup>3</sup>	8	4	2
Health Science II <b>OR</b> Biomedical Technology II <sup>3</sup>	8	4	2

<sup>3</sup> Points will be awarded for **only one** course in each category.

<sup>4</sup> Honors, AP, and IB designated courses with grades of A or B will receive one additional point in each category.

For the purposes of North Carolina Common Core Integrated Math courses, the following are equivalents under Point System B:

Math I=Algebra I, Math II=Geometry; Math III=Algebra II.

High school equivalency scores will not be used to determine points. Only courses actually completed in high school, for which an applicant received an overall grade, can be utilized to determine points.

## Additional Points for Point System B

---

Surgical Technology applicants may earn additional points for the following:

- A. Licensure and/or certification
- B. HESI A<sup>2</sup> exam scores

### A. Licensure and/or Certification

Applicants may receive points for current licensure and/or certification in each of the areas listed below. Other licenses and certifications, health care related or otherwise, will not be considered.

Licensure and/or Certification	Points
Licensed Practical Nurse	4
Paramedic	4
Central Sterile Processing Technician	4
Medical Laboratory Technologist	4
Corpsman/Medic <sup>5</sup>	2
Certified Nursing Assistant (I) I or II	2
Medical Assistant	2

<sup>5</sup> *Corpsmen may submit a copy of their Verification of Military Experience and Training (VMET) for work experience points. Primary Occupation Description must specify without close supervision.*

Current license(s)/certificate(s) must be submitted directly to the Academic Advisor/Counselor designated for the Surgical Technology program by emailing [alliedhealthadmissions@coastalcarolina.edu](mailto:alliedhealthadmissions@coastalcarolina.edu) from your Coastal email account. This must be received no later than 5:00 p.m. on the final day of the application period. The Academic Advisor/Counselor will verify submitted documentation for points.

### NC Certified Nursing Assistant

If you are a Certified Nursing Assistant I (CNA) listed on the North Carolina Nurse Aide I or the North Carolina Nurse Aide II Registry and have no substantiated disciplinary findings, you may submit documentation for points as shown by visiting one of the following websites: <https://ncnar.ncdhhs.gov>, [www.ncbon.org](http://www.ncbon.org). To be considered, NC Nurse Aide registry documentation must be received by the Academic Advisor/Counselor designated for Surgical Technology no later than 5:00 p.m. on the final day of the application period.

The maximum amount of CNA points to be awarded is 2. Additional points will not be awarded for being on both the NC Nurse Aide I and Nurse Aide II registries.

### B. Health Educational Systems, Inc. (HESI) A<sup>2</sup> Exam Scores

Students submitting the HESI A<sup>2</sup> exam may receive additional points according to the following table (cumulative scores are not rounded):

Cumulative Percentage Range	Points Awarded
92.5 – 100.0	20
84.5 – 92.4	15
79.5 – 84.4	10
75.0 – 79.4	5

## Frequently Asked Questions

---

### Applying

**Q:** Can I use the scores I received at a previous school?

**A:** Yes, as long as they are NROC/EdReady, SAT, ACT, or Next-Generation Accuplacer scores and meet the previously specified time requirements. Additionally, the official scores must be sent to Coastal Carolina Community College from the school where testing occurred.

**Q:** If I am already a certified, non-degreed Surgical Technologist, am I required to complete this program in order to receive an Associate in Applied Science in Surgical Technology?

**A:** Coastal offers a Surgical Technology – Bridging program designed for applicants who have completed their Surgical Technology certificate or diploma at a Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited Surgical Technology program and hold a current certification for surgical technology (CST) issued by the National Board of Surgical Technology and Surgical Assisting. You may locate the *Surgical Technology – Bridging Annual Bulletin* on the program’s webpage or request a copy from an Academic Advisor/Counselor.

### Points

**Q:** Can I earn points from courses in both the A and the B point systems?

**A:** No, only one point system may be used.

**Q:** When is the deadline for which a course must be completed to earn points?

**A:** Courses to be evaluated for points for the 2027 Surgical Technology program must be completed during the Fall 2026 semester and official transcripts showing completion must be received by the office of the Academic Advisor/Counselor designated for the Surgical Technology program no later than 5:00 p.m. on the final day of the application period.

**Q:** What is the time frame for which my biology courses are valid for the 2027 Surgical Technology program?

**A:** Biology courses taken in/after Fall 2022 are valid when applying to the 2027 Surgical Technology program.

**Q:** Can my high school equivalency scores be used to determine Point System B?

**A:** No. Only courses actually completed in high school, for which you received an overall grade, can be utilized to determine points.

### HESI A<sup>2</sup> Exam

**Q:** I want to try to improve my scores. Can I take just one section of the exam or do I have to retake all of them?

**A:** You will need to retake the entire exam. The highest total HESI A<sup>2</sup> exam score will be used for eligibility and points.

**Q:** Am I allowed to take a break during the exam?

**A:** Yes, but you will need to complete the exam the same day within the four-hour window.

**Q:** I took the HESI A<sup>2</sup> exam previously. Will I have to retake it?

**A:** If you took the HESI A<sup>2</sup> exam within three years of applying for the program, your scores are still valid.

**Q:** How often can I test?

**A:** Applicants may test twice at Coastal Carolina Community College within an eligibility cycle (September 1 – August 31).

### Related Courses

**Q:** If I take all the related courses prior to applying, will I still be full-time during the program?

**A:** No, refer to the Curriculum Description. Students taking related courses early will eliminate those courses during the scheduled semester. This may affect your total semester credits.

---

## Surgical Technology Outcomes

---

In the process of successfully completing this program of study, the student will:

1. Demonstrate entry-level surgical technology skills in the operating room environment with regards to cognitive, psychomotor, and affective responsibilities.
2. Develop skills in basic circulating, encompassing the care and preparation of patients for surgery.
3. Use knowledge and skills in care, sterilization, and preparation of equipment and supplies used in an operating room.
4. Demonstrate appropriate analysis of patient's and operating room team's needs, and utilize appropriate problem-solving techniques to meet those needs.
5. Identify the types and the procedures for administering anesthetics and their complications.
6. Apply the principles of aseptic technique in the clinical area.
7. Utilize knowledge of human anatomy and physiology and operating room terminology.
8. Identify the various surgical instruments and know their uses, and with that knowledge be able to assemble, in an actual situation, the proper instruments, sutures, drapes, etc., required for various surgical procedures.
9. Function as a team member within the parameters of established group dynamics and display appropriate professional behavior in interpersonal relationships.
10. Communicate effectively, verbally and in writing, with patients, families, and other health care personnel.

---

## Employment Opportunities

---

There are a variety of employment opportunities for graduates of the Surgical Technology program. These options include, but are not limited to, the following:

- Central Service Manager
- Educator, Surgical Technology
- Materials Manager
- Medical Salesperson
- Organ and Tissue Procurement Technician
- Research Assistant

---

## Academic Regulations

---

Once accepted in the Surgical Technology program, students must meet the following academic standards:

- Maintain grades of C+ (77%) or higher in all Surgical Technology (SUR prefix) courses. For science courses, students must maintain a grade of C (73%) or higher. For all other related courses, students must maintain a grade of C- (70%) or higher. Students will be disenrolled if requirements are not met. See SUR course syllabi and the *Surgical Technology Student Handbook* for additional academic course requirements.
- Students must complete all the courses no later than the semester they are scheduled in the *College Catalog*. Failure to do so will result in dismissal from the program.
- If a student who has been accepted into the Surgical Technology program prefers to take one of the approved course substitutions, it will be their responsibility to make the changes on their summer semester schedule.

Applicants who are admitted to the Surgical Technology program need to be aware of the importance of regular class attendance in order to be successful in their classes. Students should coordinate doctor appointments and vacations with college holidays and breaks. Also, it is vital to have child care arrangements worked out in advance in case of children's illnesses, teacher work days, etc. If excess absences are accumulated, then the student will be administratively withdrawn from the program in accordance with the attendance guidelines in the *College Catalog*.

Surgical Technology students are strongly advised to limit the number of hours they are employed in order to maximize their potential for academic success in the Surgical Technology program.

## Readmission/Transfer Procedure

---

Any student interested in applying for readmission or transfer must contact the Department Head for Surgical Technology to discuss educational goals and plans for readmission/transfer. The Department Head, Ashley Webber, can be reached at (910) 938-6273 or [webbera@coastalcarolina.edu](mailto:webbera@coastalcarolina.edu).

For students who are petitioning the transfer of credit into the program, please note that all transfer coursework applied must meet minimum academic program regulations. Course grades that do not meet the required minimum academic program regulations must be retaken and successfully completed, in accordance with academic program regulations and program progression requirements outlined in the *College Catalog*.

The student must hold at least a 2.0 GPA to be considered for readmission into the program. The full readmission policy may be found in the current *Surgical Technology Student Handbook*.

A student may not be considered for regular admission into a program in which they are currently enrolled but must follow the readmission policy.

The decision will be made by the Readmission Selection Committee and will only be considered on a space-available basis.

## Surgical Technology (A45740) Curriculum Description

---

The Surgical Technology curriculum prepares individuals to assist in the care of the surgical patient in the operating room and to function as a member of the surgical team.

Students will apply theoretical knowledge to the care of patients undergoing surgery and develop skills necessary to prepare supplies, equipment, and instruments; maintain aseptic conditions; prepare patients for surgery; and assist surgeons during operations.

Employment opportunities include labor/delivery/emergency departments, inpatient/outpatient surgery centers, dialysis units/facilities, physicians' offices, and central supply processing units.

Students of Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited programs are required to take the national certification exam administered by the National Board on Certification in Surgical Technology and Surgical Assisting (NBSTSA) within a four-week period prior to or after graduation.

Coastal Carolina Community College offers the Surgical Technology program as an Associate in Applied Science degree.

## Surgical Technology Related College Courses

---

Because of the academic demands of the Surgical Technology program, it is to the advantage of the applicant to complete as much of the related coursework as possible before beginning the Surgical Technology program.

Candidates may take the following courses at Coastal or receive credit for equivalent courses with a grade of C or higher at an accredited college. Anatomy and Physiology as well as Microbiology must be completed within five years of the entry term of the program (Fall 2022 or later).

Students should check with the appropriate Student Services personnel (Financial Aid, Veterans Programs, etc.) to determine how taking these related classes may affect financial aid or veteran's benefits.

## Surgical Technology Technical Standards

**Purpose Statement:** Technical Standards are provided to students to identify a specific list of the non-academic abilities and characteristics established by a program as requirements for admission, promotion, and graduation. Section 504 of the Rehabilitation Act of 1973 defines a qualified individual as one who meets the academic and technical standards requisites for admission or participation in an education program.

All students in Surgical Technology are expected to meet certain essential functions/technical standards which are essential for successful completion of all phases of the program and reflect industry requirements and standards. To verify a student's ability to perform these essential functions, a student *may be required to demonstrate* the following technical standards in the table below. Meeting these standards does not guarantee employment in this field upon graduation. The ability to meet the program's technical standards also does not guarantee a student's eligibility for any certification exams or successful completion of the program.

	Standard	Definition of Standard	Example(s) of Technical Standard
1	<b>Critical Thinking/ Problem-Solving Skills</b>	Critical thinking ability sufficient for clinical judgment.	Identify cause-effect relationships in clinical situations; develop care plans. Example(s) include: <ul style="list-style-type: none"> <li>• Ability to sequence information, events, and activities accurately.</li> </ul>
